

IOM VISION

UPDATED: 12 MAR 2021

IOM’s engagement in the four riparian states of the Lake Chad Basin, namely Cameroon, Chad, Niger and Nigeria, directly supports the Lake Chad Basin Commission (LCBC), central and local level authorities in interventions spanning across the humanitarian-development-peace nexus. In alignment with the LCBC’s Regional Strategy for the Stabilization, Recovery, and Resilience of the Boko Haram-Affected Areas of the Lake Chad Basin Region, IOM supports the LCBC and its Member States to provide humanitarian assistance to displaced populations, prevent and reduce conflict drivers, and support the attainment of durable solutions for conflict-affected populations.
