SEX & AGE

HIGHLIGHTS

Storm Daniel

Health: Essential medical services to 598 displaced individuals in Shahaat, Soussa, Thulmetha, Tukra and Derna.

Support to host communities and IDPs

Health: Essential medical services to 884 host communities and IDPs through IOM's support to primary health clinics and hospitals.

Sudan response

Health: IOM medical mobile teams provided primary health care services to 598 Sudanese in Ajdabiya and Al-Kufra.

MHPSS: Psychological first aid, psychosocial assessments, basic counselling sessions, psychosocial awareness raising sessions, psychoeducation sessions and focus group discussions for 214 Sudanese.

Protection: IOM provided protection services for 99 Sudanese, including 6 child protection assessments.

NFIs and food support: 92 Sudanese received Individual Food Kits and Non-Food items.

IOM Weekly Programming (23 - 29 January 2025)

In coordination with the National Center for Disease Control (Ministry of Health), IOM organized a 3-day **Disease Surveillance training** for 22 surveillance officers and medical doctors (13 women and 9 men) from the east of Libya. The training sought to strengthen the infectious disease surveillance and screening program in flood-affected areas in the eastern region.

IOM **constructed canopies** at Hamza Ben Abdulmutallab School in Al-Kufra, providing shade and shelter for students and staff. The handover process was attended by Kufra Deputy Mayor and representatives from the Education Office, school administration, and other key stakeholders.

ASSISTANCE PROVIDED IN THE REPORTING WEEK

During the reporting period, IOM continued to support vulnerable migrants and IDPs through the provision of protection services, health care, psychosocial support, technical cooperation and direct assistance.

152 MIGRANTS were assisted with Voluntarily Humanitarian Return to Nigeria.

480 MIGRANTS received **DIRECT ASSISTANCE** (NFIs, HKs, clothing and emergency food based on needs).

223 PROTECTION ASSESSMENTS as well as 17 child protection assessments and 12 victim of trafficking assessments.

3,703 MIGRANTS & IDPs provided with medical screenings, check-ups and primary urgent health care consultations.

181 MIGRANTS provided with **MHPSS** services, including through the MHPSS **HELPLINE**

173 MIGRANTS were informed on the dangers of irregular migration.
