

Burkina Faso Crisis Response Plan 2023

IOM VISION

Through an evidence-based and conflict-sensitive approach, IOM Burkina Faso provides assistance to meet the multi-sectoral needs of internally displaced persons (IDPs), host communities and other crisis-affected communities, particularly through shelter, non-food items (NFIs), protection and gender-based violence (GBV) assistance. IOM aims to contribute to stabilization, transition, and recovery efforts by supporting inclusive and participatory governance processes, boosting economic recovery, and strengthening social cohesion. To operationalize the humanitarian-development-peace nexus (HPDN), IOM will continue strengthening social cohesion and local governance, ensuring a comprehensive crisis response.
