## IOM VISION

UPDATED: NOVEMBER 27, 2023

IOM, in partnership with key strategic actors, seeks to provide direct support to vulnerable populations and to strengthen institutional and community capacities on preparedness and response for crises in Honduras, including disaster-related emergencies, and large population movements in order to reduce the risks and vulnerabilities of affected populations (internally displaced persons, returnees, migrants and host communities) and support sustainable recovery, preparedness and reintegration at the national and local levels.
