

Climate-affected communities receiving non-food items and cash-based assistance © Moses Otunga/IOM 2023

IOM VISION

UPDATED: SEPTEMBER 4, 2024

IOM Kenya will become a catalyst in bringing transformative changes in migration dynamics in Kenya, seeking to respond to the immediate humanitarian and protection needs of affected populations while contributing to durable solutions and building resilience in line with the humanitarian development and peace nexus. IOM's interventions will collectively reduce the vulnerabilities of crisis-affected populations and host communities by supporting evidence-based interventions increasing access to basic services such as clean water, shelter, health, and restoration of livelihoods in the immediate and longer terms.
