

IOM teams conduct COVID prevention training for a site leadership committee at the Mandruzi resettlement site, Sofala province.

IOM VISION

IOM aims to continue to be a key partner of the Government of Mozambique in supporting displaced persons and other affected populations in building resilience and progress towards sustainable solutions to displacement while ensuring a continuous response to critical humanitarian needs and rapid response capacities in case of a new disaster and crisis. IOM also strives to facilitate recovery and resilience in Mozambique through an effective and locally owned framework that addresses the lifesaving and longer-term needs of affected populations with the goal of establishing the basis for recovery and crisis prevention in communities.
