IOM VISION

IOM strives to save lives, alleviate suffering and maintain human dignity in Somalia by supporting safe and dignified living conditions for people in situations of displacement due to disasters and conflict. IOM seeks to strengthen preparedness and address the drivers and longer term impacts of crises, integrating the efforts to mitigate the impacts of climate change. IOM will continue to respond to crises when assistance is requested by the Government and will work with civil society actors to create conditions for recovery, stabilization, social cohesion, peacebuilding, and durable solutions to internal displacement.
