IOM VISION

Building on IOM's expertise in providing life-saving assistance to the most vulnerable, IOM will address humanitarian and recovery needs, and support efforts towards addressing protracted displacement for those who have been affected by the crisis in Syria, as well as for the communities and countries which host them. IOM will prioritise an integrated response that incorporates humanitarian, development and peace approaches to address the root causes of the crisis, promote durable solutions and meet the most urgent needs in crisis-affected communities in Türkiye, Jordan, Lebanon, Iraq and Egypt.
