IOM VISION

IOM's multi-sectoral programming addresses the causes and mitigates long-term impacts of crises and displacement through investments in recovery and prevention, leveraging IOM's operational presence in the country, technical expertise and strong relationships with national and local authorities, as well as with key strategic actors. IOM efforts extend beyond meeting the needs of vulnerable individuals and communities and focus on ensuring the sustainability of the interventions and the stabilization of communities, through actions that contribute to the humanitarian, peace, and development nexus and the empowerment of local key actors, contributing to efforts to achieve the SDGs, promote gender equality, and leave no one behind.
