essential items **delivered**
to Gaza by IOM since 2023

5.46M
items under **procurement**
as of 2 October 2024

IOM teams received dozens of vital humanitarian aid containers, including hygiene and cleaning kits, at the port of Aqaba. These will be transferred to Gaza. IOM Jordan/Clement Gibon 2024

RESPONSE HIGHLIGHTS

IOM is utilizing its extensive logistics networks to transport essential aid into Gaza. Once there, aid is distributed to those in need through partnerships with UN agencies, INGOs and local NGOs. The supplies are sourced through a variety of channels, including bilateral partnerships, in-kind donations and IOM's Common Pipeline Programme, which is a resource available to other organizations. The majority of incoming IOM items are routed through the Jordan or Egypt Corridor.

IOM's Gaza response is made possible through support from

OCCUPIED PALESTINIAN TERRITORY EMERGENCY RESPONSE

ACTIVITY UPDATE #35 19 SEPTEMBER - 2 OCTOBER 2024

IOM WINTERIZATION PLAN 2024

IOM's winterization planning for Gaza addresses the urgent needs of people facing harsh winter conditions, with 185 areas identified as high risk for flooding.¹ As temperatures drop below 5°C and nearly 60% of WASH infrastructure is damaged, the risk of further displacement, waterborne disease and shelter collapse escalates.² IOM supports partners on the ground with the procurement and delivery of life-saving aid to increase access to safe shelter, water and well-managed sites.

SHELTER & NON-FOOD ITEMS (NFI)

- 334,700 sealing-off kits**, containing rope, duct tape, tarps and/or plastic film to secure homes from cold winds and rain.
- 142,500 bedding sets**, containing blankets, mats, mattresses and/or pillows to support warmth.
- 27,000 warm clothing kits**, customized to meet age-specific, gender-sensitive and culturally appropriate needs.

WATER, SANITATION & HYGIENE (WASH)

- 20,000 hygiene kits**, containing essential personal hygiene supplies such as menstrual products, lice shampoo and soap.
- 7,600 cleaning and disinfection kits**, containing brooms, mops, trash bags, buckets and household items.
- 6,520 latrines**, supporting dignified waste management that is gender-sensitive and disability inclusive.

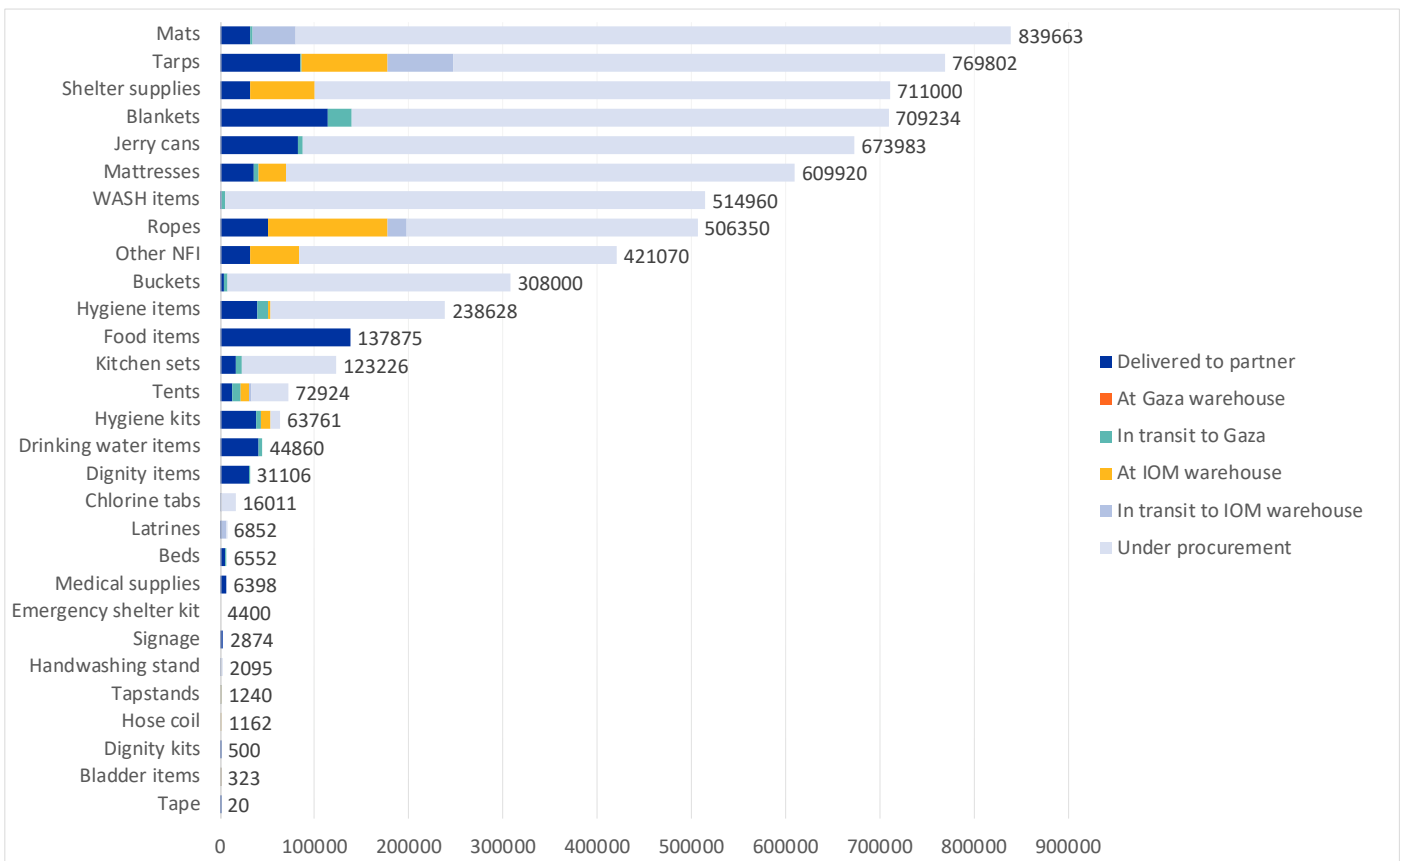

SITE MANAGEMENT

Site management technical experts will support displaced populations so they can reside in well-organized, flood-resilient sites, in line with humanitarian standards.

ITEM BREAKDOWN

This table depicts all humanitarian aid items for affected populations in Gaza at all logistical stages (from procurement to delivery) as of 9 October, 2024.
